

Malton Grammar School Exam Results 1940-1971

Exam results clearly did not have the high priority in school life that they have had since the 1990s. Below are the only comments to be found in the archive about exam success - usually a brief comment in a Head's report or in *The Maltonian*. I wonder which is the healthier perspective.

Ordinary Level

Advanced

Year	Entries	Results	Entries	Results
1971				1.88 passes per A level candidate on average
1968	43		35	
1967				
1966		"Better than any previous year"	25	"Well up to average"
1965	60		18	
1964		"Easily the best in school history"		"Below usual average"
1963		Very satisfactory		Head Boy offered a place at Cambridge.
1960		A new record of average passes		8 County major
