

MALTON SCHOOL

ACHIEVEMENT AWARDS

CELEBRATION

REVIEW OF 2002-03

CELEBRATION EVENING

Thursday

13 November 2003

Programme for the Evening

- 7:30** Welcome by the Head Girl & Boy, and Deputies
Rachel I'Anson, Peter Bowring, Rachel McCulloch, Darren Allanson
- 7:35** News report: Sports desk
Jessica Leonard, Anna Pietrowski, James Staff
Special awards: The Dave Pay and Bruce Rolls trophies
- 7:45** Musical interlude 1 (*Heather Ponton-Brown*)
- 7:50** Introduction to the Awards by the Head, David Roberts
- 7:55** Awards presentation to Year 7 students
by Mrs Eileen Howell, and Mrs Patricia Lovegrove.
- 8:00** The House competition. Presentation of the House Cup
- 8:05** Musical interlude 2 (*Rachel McCulloch and Alex Young*)
- 8:10** Awards presentation to Year 8 students
- 8:15** News bulletin: national events round-up; school
- 8:20** Awards presentation to Year 9 students
by Mrs Christine Smith and Mr John Steel
- 8:25** Musical interlude 3. (*Year 11 Dance group*)
- 8:30** INTERVAL.
- 8:45** Awards presentation to Year 10 students
- 8:55** Musical interlude 4. (*Sally Fothergill*)
- 9:00** News bulletin: Science developments
Special award: Science special commendation
- 9:05** Awards presentation to Year 11 students
by Mrs Carol Peters and Mr David Ewing.
Special Awards: Maths Challenge
Head Boy, Girl and deputies
Emma Howard Prize
Vocational student of the year
- 9:15** News bulletin: Road Safety in Malton and London
- 9:20** Awards presentation to Years 12 and 13 students,
Special Award: the Davina Kirk trophy
- 9:25** Late night news report: Exams bulletin
- 9:30** Finale: by audience request
Collection for Children in Need

Recognising Achievement at Malton School

House Points and Congratulatory Referrals

These are awarded for good work throughout the year.

Commendations

On three occasions during the school year teachers are asked to nominate one student in each of their teaching groups who has performed well in respect of the level of attainment they reach, the effort they apply, or the improvement they have made. A commendation letter signed by the Head and Deputy is then presented personally to each student.

Privilege Cards

Students are invited to apply for privilege cards. Awards are made on the quality of their application. Attendance, effort, house points, commendations, service to school, responsibility, and participation in school life are all taken into consideration.

Examinations Success

Grades in all subjects taken are aggregated and students are ranked in order of their performance. The top ten students in each year group receive a letter of congratulations on their achievement (the top five in the Sixth Form).

Annual Awards

To qualify for an award, students either gained three or more commendations, or they finished in the top ten in their year group (top five in Year 12 and 13). A special limited edition of enamel badges is commissioned for the awards, based on the school shield. Even more limited is a badge for students who have received awards in three years. These students also receive a book prize.

Review of 2002-03

September

- ❑ Seven new staff join us: **Mr Clark** to teach Information and Communications Technology ; **Mrs Hopkin** to teach girls PE; **Mrs Myers**, continues with us teaching English; **Mrs Richmond** joins the Modern Language Department; **Miss Robertson** joins the Mathematics Department. We welcome back **Mrs Boothman** to cover some additional Food and Textiles Technology teaching for a term. **Mrs Chapman** joined us at the end of last term to take over as school bursar.
- ❑ The sponsored walk this year aims to boost the fund for our Science Appeal. Everyone shows their support for the bid, with a record breaking £7000 raised.
- ❑ A group of former students from 1967-74 visit the school as part of a weekend reunion organised by **Simon Crozier**. The group hails from many parts of this country and the wider world – Australia, Germany and Canada included. They plant two rowan trees in front of East Wing to commemorate their visit.
- ❑ There is national unease about the marking of A-level scripts, and an inquiry by Mike Tomlinson is instituted, involving re-marking of the work of large numbers of candidates. A number of Malton students eventually have their results upgraded as a result of enquiries.
- ❑ 400,000 gather in London for the Countryside Alliance march, putting rural issues firmly on the national agenda.

October

- ❑ Fieldwork at East Barnby for Year 10 is combined with some outdoor activities, including climbing, beck scrambling, orienteering, skiing and canoeing.
- ❑ En octobre 2002 un groupe de 35 élèves de 4ième est allé à Dinard en Bretagne. Malgré le mauvais temps on s'est bien amusé. On a visité la côte Émeraude, Dinan, Mont Saint-Michel, Saint-Malo et même Jersey. C'était super, surtout les magasins!
- ❑ Terrorists explode a bomb at a nightclub in Bali.
- ❑ A survey reveals that 56 million text messages a day are being sent in the UK alone.

November

- ❑ Over 400 people gathered in Malton School Hall for the fourth annual celebration evening. 120 students received awards for their performance during the previous year (2001-2), and a number of special awards are made.
- ❑ Leeds Tykes' coaches and former Rugby League and Union international winger John Bentley call in for a training session with Malton Rugby students.
- ❑ The nation's firefighters start strike action and other industrial action in support of a significant pay increase. The army are drafted in to provide emergency cover
- ❑ The UN security council unanimously backs a US-British resolution to reinstate weapons inspections
- ❑ *Harry Potter and the Chamber of Secrets* hits the cinemas.

December

- ❑ Crambeck village is evacuated to Malton School following dangerous gas tank scare on the A64. About 50 residents spend half a day with us.
- ❑ Teachers are so fed up with Year 8 that they march whole classes down to the local police station and lock them up in the cells! All part of their Citizenship lessons, of course (or was it?)
- ❑ Our second Christmas show is held in a packed school hall, with 150 performers and 230 guests. This year's concert includes a Sixth Form mini-pantomime – Jack and the Beanstalk.
- ❑ A junior disco is held the previous night, and the annual Senior Citizens' Party the following day.
- ❑ Malton School receives **Investor in People** status, recognising the strong commitment we have to our staff, in whatever capacity they work - both teaching and non-teaching.
- ❑ The Year 9 Rugby team become Ryedale District Champions with a superb performance, convincingly beating Lady Lumley's, Norton, and Ryedale with their pace and power to take the trophy.
- ❑ A Year 7 Inter-House Swimming Gala takes place, with **Fire** the successful house – obviously not out of its element!
- ❑ House competition matches this year are re-organised, and now take place in year groups, rather than combined teams from Year 7 to 9,

and from Years 10 to 13. Over 60 matches take place, the new structure allowing more opportunity for all pupils to participate.

- Final results in the 2002 competition were as follows:

House Trophy 2002	Air	Earth	Fire	Water
	(Gold)	(Green)	(Red)	(Blue)
Spring 2002	874	818	1042	935
Summer 2002	1285	1212	1358	1107
Autumn 2002	1556	1716	1682	1583
TOTALS	3715	3746	4082	3625
Positions	3rd	2nd	1st	4th
<i>Differences</i>	-31	-336		-90

This means that in the three years the trophy has been running, winners have been: in 2000 **Air**; in 2001 **Earth**; and now in 2002, **Fire**. Will Water complete the sequence in 2003?

- Aragorn and the Hobbits meet Gollum in second of the Lord of the Rings film trilogy, *The Two Towers*.
- Iraqi officials present a 12000 page dossier on their weapons program to the UN.

January 2003

- The Science Appeal fund has grown to £33223, edging closer to the £50000 required to submit our bid for Science status. Local business, parents, friends and students have all contributed.
- Acclaimed Liverpoolian Batik Artist Sian Hughes, in a co-project with Malton Hospital, spends a week working with our students, culminating in an exhibition of their work in the hospital.
- 100 people attend an illustrated talk about the history of secondary education in Malton – including the Grammar School, Malton Senior School, Malton County Modern and Malton School. Hundreds of archive photographs are displayed from 1911-2001, with commentary from a former pupil, former members of staff and the current Deputy Head.
- The school is forced to close for a day as a result of severe snowy weather.
- **Mrs Wattrus** joins us to teach Food and Textile Technology.

- ❑ David Sneddon beats Jay-Z to top spot on BBC's Fame Academy. He goes on to spend four weeks at number one.
- ❑ A British naval task force leaves for the gulf, with 3000 marines.

February

- ❑ Swinton Excelsior Brass Band perform in the School hall in aid of the Science Appeal. They perform a lively mixture of tunes under the title "Swinton Goes Pop".
- ❑ The Appeal Fund reaches £41820, with two weeks to go before our deadline for sending off the bid.
- ❑ The Year 8 Rugby team win the Ryedale District Champions trophy for their age group, with another convincing clean-sweep of wins against Lady Lumley's, Norton and Ryedale – 15-0, 30-5 and 10-0.
- ❑ Malton School gymnasts do well in the Scarborough and District Competition, with **Emily Moffatt** 1st overall on the floor exercises, and the Junior Team finishing second overall.
- ❑ A million anti-war protesters march through the streets of London.
- ❑ The Columbia space shuttle explodes as it comes in for touchdown.

March

- ❑ GCSE Business Studies students go on a residential trip to see how some of the big businesses in Liverpool and Manchester operate.
- ❑ Three A-level students – **Sofie Buckland**, **Lauren Horsley** and **Lizzie Stallybrass**, represent the School at the annual Science Week debates held at the Guildhall in York on 6 March. They are just pipped into second place in the competition.
- ❑ Students from the Year 13 A Level Physics group visit the Observatory in the heart of Dalby Forest. The visit marked the completion of the cosmology module they had been studying last term. The visit was hosted by members of the Scarborough and District Astronomical Society. Club President John Harper gave a tour of the night sky
- ❑ The annual ski-trip visited Passo Tonale in Italy this March. Four staff and 41 students, assisted by Paul and Val Lange, Stuart Carruthers, Martin Abbey and Bob Kirkby, had an enjoyable and problem free week in the sun and snow.

- ❑ Sixth Form students have been raising money by washing cars, to provide training and equipment for their bid to become therapeutic care volunteers with the Red Cross.
- ❑ Tables of A-level results for last year are finally published, having been delayed due to the exam marking investigation. The overall picture confirms our report in September, when we noted that these were our best ever results and of a very high standard. They put us 5th amongst comprehensive schools in the whole of North Yorkshire, which of course is a high achieving county nationally.
- ❑ Around 0230 GMT 20 March 2003 American forces launch a series of air attacks on Baghdad. The war has begun. .

April

- ❑ Budding rock artists join three brave tutors for a day of music making fun. Students write lyrics, put together riffs and drum beats and add harmonic backing to lead vocals. The Sixth Form band also bring in some of their own material. Their masterpieces are recorded on Delta Sly's mini recording studio, which are then dubbed and mixed and put onto a CD, just like the professionals.
- ❑ Two sell-out shows in West Wing Hall on the last two nights of term take place with the theme of "A Night At the Movies". 450 students, parents, relatives and guests are superbly entertained by the talents of 130 performers from all age groups in the school - in fact from age 11 to well, shall we say over 40, as staff are also involved in some of the performances.
- ❑ On the last day of the Spring Term all students in Year 10 are given the opportunity to drive a Vauxhall Corsa near the West Wing tennis courts. Fortunately the car had no wheels – it was a driving simulator provided by BSM for the day.
- ❑ As part of our bid for Science status, in December we submitted a bid for £10000 to Barclays Bank New Futures scheme. We are delighted by news of our success in securing this award. The money will be spent on environmental projects connected with trees, in partnership with Castle Howard Arboretum Trust and with our local cluster primary schools.
- ❑ We say farewell to our librarian, **Mrs Jacqui Yard**, at the end of March. She has been our librarian since the opening of the new

library in February 2000, keeping the library in good order, and introducing a computerised issue system. She resigns, hoping to spend more time on her charity work and her garden. In her place we welcome **Mr Braddan**.

- ❑ Former pupils from the grammar school days gather at the Green Man at the now customary annual meeting on the last Tuesday in April. The event is organised as usual by 1940's pupil **Colin Gaden**, who keeps in touch with over a hundred pupils from the past.
- ❑ Year 7 complete a winning triple as they take their age group's Ryedale Trophy for Rugby, mirroring Year 8 and Year 9 success.
- ❑ Our entire website and mail service moves to North Yorkshire's Vital online server, at www.maltonschool.org. The website gets a new look, and is streamlined at the same time with the Maltonians site and main school site now being in one place. Our new e-mail address is admin@maltonschool.org.
- ❑ 21 days after the bombing began, a giant statue of Saddam Hussein is toppled and the war draws to its close, though the conflict, shootings, bombs and deaths continue for many months.
- ❑ The SARS virus (severe acute respiratory syndrome) is appearing in many cities across the world, having originated in China.

May

- ❑ Students following the vocational course receive certificates from York Training Services in an evening presentation meeting. The trainers and organisers select one "student of the year", and this year's award was made to **Gemma Piercy**, who has been working at the Topiary Tree in Malton. Gemma received a prize of a florist's toolkit from Topiary Tree's **Gemma Magson**.
- ❑ Year 11 students attend a "Prom" in the school hall, efficiently organised by **Nikki Freer, Sophie Gilderdale, Daniel Bulmer** and **John Hodgson**. The students take the opportunity to dress up in style in suits and evening dress, including **Blair Young** in his traditional family kilt and tartan, and are a credit to themselves and to the School.
- ❑ On the final day before revision leave there is a special assembly to start the day, with the traditional story in which each student's name appears, refreshments at break, a photo session - for all those snaps

that will fill the albums of the future - followed by a lunch provided free by the school, with waiter (and waitress) service provided by teachers. Then a final ceremony in which National Records of Achievement folders are presented, snaps from the Prom are shown, a student comedy routine is performed, and instructions for conduct in the forthcoming exams are issued.

- Elections for Head Boy and Girl are held. The following are elected for the period May 2003 – May 2004

Head Boy and Girl: **Peter Bowring, Rachel I'Anson**

Deputies: **Darren Allanson, Rachel McCulloch**

- **David Evans** calls in while over here from South Africa. Dave was Head Boy in 1964-5, and keeps in touch via e-mail. . In addition, from Australia we welcome **Kerry Martin** (nee Rolls), who also enjoyed a brief tour of the school and meeting two of her school friends. We were sad to hear of the death of her mother, Mary Rolls, last month. **David Thackray** , a pupil in the 1940's, calls in and donates photographs, a tie and a school cap to the archive.
- Students from the Duke of Edinburgh Award group present a fashion show in the West Wing Hall. An enjoyable evening for those who watched and those involved. Thanks to Castle Howard, Sandras, Jennifers, Muskan, Topshop, Topman, John Piercy, Sally Beausang, Mrs Titchmarsh and Pierce MacMahon. A special thanks to Mrs J MacMahon for all the time and effort she put in organising the event
- **Simon Cousins** and **Steve Pickering** from Malton 'Blue Watch' Fire Brigade give up their valuable time to come in and talk to Year 8 on Fire Safety Awareness
- Four teachers from the Stavanger area in Norway spend a day in school. They tell us that there are two forms of Norwegian, known as Bokmål and Nynorsk. Teachers are expected to use either or both in their classes depending on the preferences of the parents of the students in each class.
- Tony Blair is accused of distorting the facts of the build-up to the Iraqi war. The beginnings of what would lead to the Hutton inquiry.
- Former England cricketer Phil Tuffnel wins the reality TV game show "I'm a Celebrity Get Me Out of Here"

June

- ❑ We learned from the Department for Education and Skills that, whilst they acknowledge many strengths in our bid, they have not approved it in this round. We immediately start the process of improving the bid along the lines suggested by the DfES.
- ❑ We open our doors to the public to view art work by our examination students
- ❑ Six of our athletes are selected to represent Scarborough and Ryedale District at the County Championships in York
Boys: **Ben Webster**, Triple Jump (11.38m); **David Brown**, Long Jump (4.36m); **Sam Gilderdale**, 100m (12.15sec).
Girls: **Ann Astin**, Shot (7.72m); **Linda Cooper**, 300m – (50.56sec); **Chantelle Burdett**, High Jump (1.20m)
- ❑ *Harry Potter and the Order of the Phoenix* is released. It goes on sale at midnight and queues form to buy the fifth in the series from the pen of J K Rowling
- ❑ Andrew Gilligan claims that Number 10 “sexed up” the pre-war evidence of weapons of mass destruction.

July

- ❑ We welcome everyone to our annual Open Evening. The school is full of students new and old, parents, staff, and members of the community, catching just a glimpse of the busy life of Malton School.
- ❑ Following on the success of performing in a Night at the Movies, a number of students put themselves forward for auditions for a community opera, “The Voyage of the Maris Piper”, organised as part of the Ryedale festival. Eight students have been accepted into the cast of 70, along with young people and adults from Norton College, St Mary’s and Malton Primary. The opera is performed in Malton School hall on the first weekend of the summer holiday. . Our thanks to **Em Whitfield**, the organiser, for giving students this opportunity.
- ❑ Year 10 Way to Work students spend three days camping in Dalby forest. Our thanks to Mr Trevor Schofield for his help and organisation of this trip.

- The annual Tennis Tournament sees well contested matches played in good spirit by a large number of entrants. Final winners were: **James Stone** (9A), who beat **Lee Milburn** (10F) in the final; **Fay Chapman** (8E), who beat **Megan McColgan** (9W) in the final; **James Stone** and **Becky Hartley** (9A), who beat **Michael Brown** (10F) and **Jenny Chapman** (10E) in the mixed doubles' final.
- The annual athletics competition this year is slightly different this year, with field events held the day before the track events, allowing more events to be completed (93 in all), particular for younger students. There are 17 new records established this year – 14 in new events, 3 past records are broken:

Y9 Boys 100m	Sam Gilderdale	12.00s
Y9 High Jump	Ben Webster	1.60m
Y9 Triple Jump	Ross Harrison	11.68m

Ben Webster qualifies to take part in the Triple Jump at the English Schools Finals at Don Valley.
- At the end of term we say farewell to one of our longest serving teachers - **Mr Richard Hilton**, Head of Maths, who retires having taught at Malton School since its opening as a comprehensive school in 1971. **Mr Matthew Richmond**, has been with us two years, and moves to teach PE at a Sixth Form College in Warrington; **Mrs Emma Richmond**, who taught French, of course goes with him. Best wishes for their expected new arrival. **Mr Trevor Wilford** leaves us after being our site manager for the last two years. Rumour has it that he was made an offer by The Chippendales following his appearance in our Easter show this year! **Miss Susan Robertson** stayed a year with us in the Maths department, but could not turn down an opportunity to teach in New Zealand. **Mrs Elizabeth Wattrus** leaves after two terms in the Food and Textiles department.
- Our thanks go to **Mr Tim Hainsworth** for covering music teaching in Mr Thorp's prolonged absence.
- With the continued interest and ever-increasing quality of performance, this year we elevated the Talent Show to the final event of the year, holding it after final assembly in West Wing Hall. We are not disappointed with the move. The winner is **Sally Fothergill** singing *How Do I Live*. 2nd place is a tie between **Rachel McCulloch** and **Fragile**, and **Chelsey Beresford** comes third. The

staff group's version of *We're All Going on A Summer Holiday*, with **Mrs Lovegrove** taking the lead, was comfortably last!

- ❑ In our final assembly, the individual House Trophy is awarded to the person with the most house points in the year. This year it went to **Amy Batty** of 7 Air, with 128 points. Two platinum plus awards were made (120 points)– one to Amy Batty , the other to **Rebecca Simpson** 8 Air. Well done girls.
- ❑ Our annual activities day on the penultimate day of term take place as usual, with Flamingoland, Doncaster Dome, Dalby Forest, Brawby Pond, The Deep at Hull, North York Moors, and Old Trafford all featuring. In the competitive activities, **Sam Boler** wins the fishing competition, **Martin Mills** wins the archery competition.
- ❑ Year 10 spend two weeks on Work experience in June. In a new initiative, they spend a full day on return from their work placements writing up their experience as part of their coursework for the new Citizenship exam. Out thanks to all local businesses and employers who provided places for our students.
- ❑ As part of the Ryedale Festival of Youth, 16 Year 8 students take part in a workshop with local textile designer Sally Beausang, producing items for a display and fashion show in Pickering during August.
- ❑ The History department make their annual visit to Beamish museum with Year 8, and to the Royal Armouries in Leeds with Year 7.
- ❑ Three Year 7 students are selected to take part as one of five finalists in a national competition organised by the RAC – “Investigating Safer Journeys”. **Daniel Cohen, Emily Moffat** and **Daniel Pratt** impressed the judges, and are presented with some super prizes – each receives a mountain bike and safety helmet, and the school receives a laptop computer and mapping software for the Geography department. . They go on to London in October for the finals of the competition later in the year.

August

- ❑ Results days in the summer holidays see the best ever results at A level, AS level and GCSE level 68% achieve 5 or more GCSE passes at grades A*, A, B or C, a massive 17% above the national average. The Chief Education officer writes to congratulate us on one of the

five best performances in the County. For the first time ever, all students in the year group achieved five GCSE passes. A-level results see a 98% pass rate, with 41% achieving grade A or B, and 63% grade A, B or C. The AS pass rate rises to 90%.

- ❑ At Key Stage 3, **76%** of entries resulted in Level 5 or higher, and **46%** at Level 6 or higher – 10% above national levels.
- ❑ Improvement work over the holidays sees a pedestrian access path routed through the former caretaker's garden at West Wing, improving safety for students who can now avoid buses and other traffic when arriving or departing from school.
- ❑ New showers and toilets are installed at East Wing, together with disabled access toilets at both wings.
- ❑ The school computer network is upgraded to Windows XP, causing some temporary inconvenience, but hopefully much improved service in future. Twenty additional workstations are purchased, and upgrades to memory and hard drives are installed in older machines.
- ❑ A ten-day heat wave early in the month sees records broken, with temperatures in Britain reaching 38.1C (100.6F). Global warming is the topic of the day.

SPECIAL AWARDS SINCE THE CELEBRATION EVENING BEGAN

The Davina Kirk Trophy

Awarded to the student with the most commendations for effort, attainment and improvement.

1999 Hannah Bramhall
2000 Paula White
2001 Sally Fothergill and Lucy Carroll
2002 Darren Allanson and Philip Richardson
2003 *To be announced*

The House Trophy

2000 Air House
2001 Earth House
2002 Fire House
2003 *Decided December 2003*

The House Cup

Awarded to the student with the most house points

2001 Emma Smith 8 Earth
2002 Emma Smith 9 Earth
2003 Amy Batty 7 Air

The Emma Howard Memorial Prize

Awarded to the artist who made most progress in the year

2001 Kathryn Wilson Year 13
2002 Laura Wade Year 13
2003 Emma Scaife Year 13

The Maths Challenge Best in School Winners

(Junior and Senior; Intermediate introduced in 2003)

2001: Russell Goddard; Hannah Bramhall
2002: Russell Goddard; Nick Fothergill
2003: James Baker; Lorna Vasey; David Smith

The Dave Pay Sports Shields

Awarded to the boy and girl who made the most significant contribution to sport in the school

- 2001 Vicki Anderson and Stephen Baxter
- 2002 Natalie Miller and Daniel Lovegrove / Lee Wiles
- 2003 Jenny Chapman/Rachel McCulloch and Peter Clarke

The Bruce Rolls Sports Trophy

Awarded to the boy and girl in the junior school who made the most significant contribution to sport in the school

- 2003 Claire Szuman and Ross Harrison/Ben Webster

Head Boy and Head Girl

(chosen by student and staff vote, from students in Year 11)

- 2001-2 Phillippa Chapman and Mark Wylie
(deputies Sofie Buckland and Nick Dean)
- 2002-3 Sophie Gilderdale and John Hodgson
(deputies Nikki Freer and Daniel Bulmer)
- 2003-4 Rachel I'Anson and Peter Bowring
(deputies Rachel McCulloch and Darren Allanson)

Senior Students

(Sixth Form school representatives)

- 2002-3 Laura Grassi, Claire White,
Matthew Bulmer, Adam Turner
- 2003-4 Phillippa Chapman, Carla Barratt-Gibson
David Smith, Mark Wylie

Students who have received an award in all five years since Celebration Evenings began:

Kate Baker	Crystal Spencer
Phillippa Chapman	Lorna Vasey
Hannah Cooke	Thomas Vasey
Christopher Lightfoot	Sarah Wood
Jenna Mason	Matthew Young
Anna Pietrowski	

David J Roberts

Date:

Dear Mr Roberts

SCIENCE COLLEGE SPONSOR'S DECLARATION

I wish to sponsor Malton School's Science College application in the November 2003 competition.

I will pledge £..... in cash.

*The sponsorship will be available to the school by [date].

*I enclose cash / cheque payable to "Malton School Fund – Science.

*(*please delete as appropriate)*

I am familiar with and understand the sponsorship criteria for the Specialist Schools Programme. This sponsorship pledge is completely unconditional.

Yours sincerely

Sponsorship:

- a) must be given **without any conditions** which could result in a financial benefit for the sponsor or any other party, e.g. the future purchase of goods, equipment or services. There must be no direct or indirect commercial agreement e.g. for parents to purchase from the sponsor.
- b) must come from the private sector – private companies, individuals, charitable foundations, private trust funds and other private sector organisations. The sponsor must not have a commercial relationship with the school which could benefit from specialist school designation.
- c) must be given to support the **capital project** as outlined in the school's bid. It must therefore be in cash or relevant goods and must not be something already installed in the school. Non-capital items e.g. time and consultancy, although valuable in their own right, will not count as sponsorship. Cash tied to non-capital purchases e.g. salaries and bursaries, while also valuable in their own right, will also be disallowed as sponsorship, as will sponsorship tied to developments in areas outside the specialist subjects.
- d) must be firmly pledged without qualification; underwriting uncertain sponsorship or a sponsorship shortfall is not acceptable.

Telephone number: (optional).....

I enclose a cheque to the value of £..... payable to Malton School Fund – Science (Registered Charity No. 1052821) in order to support the school’s bid to the DFES for specialist status in science in November 2003 or subsequently. At the school’s discretion this donation may be used to support the teaching of science and related subjects within the school.

I would like to make my donation worth up to 28% more to the School Fund – Science.

I am a UK taxpayer and want Malton School Fund – Science to treat all my donations from 6th April 2000 as Gift Aid donations until further notice.

I already pay an amount in income tax and / or capital gains tax at least equal to the tax that the school will claim on my donations.

Signed:..... Date:.....

Recording of donations:

Please indicate how you would like your name to be recorded in a list of donors:

.....

Gift Aid allows the School Fund – Science to reclaim the tax you have already paid on your gift. It does not cost you any more money, but the School receives up to £1.28 for every £1 you donate.
