Collection for Children in Need

Recognising Achievement at Malton School

House Points and Congratulatory Referrals

These are awarded for good work throughout the year.

Commendations

On three occasions during the school year teachers are asked to nominate one student in each of their teaching groups who has performed well in respect of the level of attainment they reach, the effort they apply, or the improvement they have made. A commendation letter signed by the Head and Deputy is then presented personally to each student.

Privilege Cards

Students are invited to apply for privilege cards. Awards are made on the quality of their application. Attendance, effort, house points, commendations, service to school, responsibility, and participation in school life are all taken into consideration.

Examinations Success

Grades in all subjects taken are aggregated and students are ranked in order of their performance. The top ten students in each year group receive a letter of congratulations on their achievement (the top five in the Sixth Form).

Annual Awards

To qualify for an award, students either gained three or more commendations, or they finished in the top ten in their year group (top five in Year 12 and 13). A special limited edition of enamel badges is commissioned for the awards, based on the school shield. Even more limited is a badge for students who have received awards in three years. These students also receive a book prize.
