

A-Level Leavers

Year 13 A-level students finished normal timetable classes on Friday 27 May. They had lessons up to breaktime, followed by a special assembly. The school then put on a buffet lunch for the year group.

Over 80 students plus staff guests attended the prom at The Royal York Hotel in York. The weather was fine, the beautiful surroundings were used to take photographs in the pleasant evening light. The event was thoroughly enjoyed by students and staff alike. Particular thanks go to president and vice-presidents **Francesca Suddaby, Alistair Coe, Tom Keane** and **Amy Szuman**, for organising this event. This excellent group of students are now wished well with their exams over the coming weeks and we look forward to our usual high quality results in August.

Year 11 Leavers' Events

Thursday 26 May marked the last day of normal timetable for Year 11 students at Malton School. Exams have already started and students have been mixing normal lessons with sitting exams until now, but with the half term break, an end to formal lessons was made. After half term students have returned on a special revision timetable, and of course to sit their remaining GCSE exams.

The final day started with a special assembly. At morning break students gathered in the East Wing quad for drinks and biscuits and a group photo – unfortunately the rain came down and made photo shooting difficult. At lunchtime students gathered in the West Wing quad for a photo session, but once again the showers rained off proceedings, and students sheltered in the gym, where best efforts were made to take tutor group photos and a whole year group picture, as well as informal snaps.

Year 11 Leavers' Events continued

Students went in to the dinner hall for a meal provided by the school, with teachers serving drinks to the students.

The afternoon was given over to a final assembly, when students watched specially prepared videos of their time in school, interspersed with songs and dance, performed by the students themselves of course. There were also special awards (such as "loudest boy and girl", or "best hair do").

The day finished in high spirits but also a hint of sadness, with a few tears as students left.

We now wish them well with their exams and hope they continue with the revision.

The group chose to have their leavers prom this year after the exams have finished, towards the end of June, so we still have that to look forward to.

Happy Days. Year 11 students get together on their last day.

Malton Food Festival Competition

More than 100 students took part in the initial stage by designing a menu as part of the Global Kitchen theme as part of the food technology curriculum. Entries were judged by renowned food writer and author Elaine Lemm to select the top five menus.

The five prize winners were

Annie Farrow, Emily Metcalfe, Rosie Roberts, Naomi Richardson and Philippa Norman.

The winners were then invited to take part in a cookery challenge with the winner given the opportunity to recreate their winning menu at the festival. Head of Food Technology, Mrs Leach, said "The competition is designed to build on students' awareness of some of the current issues which influence food choice and to consider consumer demands for good quality British and locally-produced food. They have thrown themselves into the challenge with great enthusiasm".

The overall winner was **Annie Farrow** with her main course of her own oak smoked mackerel with a lemon and honey drizzle, hollandaise sauce with asparagus and new potatoes. Dessert was a Yorkshire rhubarb crumble with lavender ice cream.

Winner of the competition Annie Farrow with fellow finalist Philippa Norman alongside Tom Naylor-Leyland, Stephanie Moon and Elaine Lemm.

Head Boy and Girl 2011-2012

With Year 11 coming to the end of their normal timetable, an election was held to provide successors for the school's Head Boy and Girl. Results were announced earlier this week, with the winners **Lewis Rawling** and **Holly Johnson**, and deputies **Joshua Eldridge-Smith** and **Bryony Hall**.

Responsibilities for this team during the year will include representing the school at all major events, such as the school's Celebration Evening (which they present), the Civic Service, Remembrance Day, and many other occasions.

Thanks to all who took part in the elections. Many thanks also go to retiring Head Boy **Ben Stubbings** and Head Girl **Harriet Beecroft** and deputies **James Poole** and **Aimee Machin**.

Citizenship News

Years 7, 8 & 9 have been working on different active citizenship projects. Year 7 students found our school community was most concerned about litter, they are involved in a campaign to reduce litter in and around the school. We hope you notice the difference.

Year 8 are piloting a new interactive First Aid Course developed by the Red Cross. The course covers bleeding, choking and burns amongst other medical emergencies.

Year 9 have just completed two very important modules, Drugs and Sex and Relationships. A County 'Health Related Behaviour Survey' asked questions of our Year 8 & 10 students last summer. This rated our teaching of Sex and Relationships top of all the North Yorkshire schools in terms of positive student feedback.

Tours will operate between 9:30am and 3:00pm.

There will be a short presentation by the Headteacher, repeated at 10am, 11am, 12pm and 2pm.

We seek to combine an emphasis on traditional values with forward looking approaches to teaching and learning to deliver the highest outcomes.

Please visit us to see how we can offer the right environment for your child to flourish.

Book Club

Lower school students have begun reading the latest teenage fiction releases for the school's book club. A website has been set up for the group via the Carnegie Medal Shadowing website. Our website has polls, a blog and reviews of the books we have been reading. New members are welcome! Please see Mrs Bloxwich if interested.

Annual Art and Design Exhibition Thursday 23 June 2011 at 7.00 pm

Our annual exhibition of artwork is a chance to view the work of all A-level and GCSE Art students, and to find out who is the winner of the Emma Howard Memorial Prize for this year.

We hope for a pleasant summer evening when guests can stroll around the wide variety of exhibits, talk to staff and students and enjoy the talent on show. There is no charge for admission and there will be a licensed bar available on the evening.

Sports Day

Sports day will be held on Tuesday 12 July 2011. (Tuesday 19 July has been reserved in the event of bad weather). We welcome guests to the track events in the afternoon. Invitation letters will be going home to parents in June.

Sun-block Cream

As we are now in the summer term and the sun is getting stronger, the PE Department would advise students to bring their own sun-block cream with them to their outdoor games lessons and sporting fixtures. Unfortunately, the department is unable to provide sun-block cream for students.
