Stronger For Being **One**

Easter Concert

The night opened with the orchestra playing the *Doctor Who Theme*, *Pirates of the Caribbean*, *One Day Like This* and also *The Wallace and Gromit Theme*. All the performances were arranged by **Cameron Race**, **Alex Lancaster** and **Florence Stockbridge**, our Year 13 Music students.

The audience enjoyed various performances from the jazz band, blues performers, soul band, string group as well as individual acts.

Glee Club sang and danced us through *Rollin' in the Deep* and *Prayer Mash Up* and the Wind Trio gave a beautiful rendition of *Saxalantino*.

Keir Barnett played *Jamaican Rumba* on his cello, his sister **Merrie** gave a rendition of *Sicilian Grade 4* on her flute and **James Poole** performed the *1st Movement Mozart Piano Concerto KV332*. **Philippa Norman** sang *I Dreamed a Dream*, beautifully.

Congratulations to all the students involved who gave fantastic performances, many thanks also go to the crew behind the scenes and of course Mr Taylor for putting the concert together. A great night was had by all.

Jersey Sports Tour

Malton School prides itself on offering children a wide variety of activities, in and out of school. If there is one department that utilises this, it's the PE department.

Students from Years 8, 9 and 10 were given the opportunity to go on a weekend of sport activities to Jersey, which included a variety of sports tournaments. Students were also offered the chance to socialise with the schools they played against.

The PE department pride themselves on giving students the opportunity to compete in the sports they love and give them experience in a range of competitive sports.

The trip gave male students the chance to play in competitive football matches and gave girls a competitive netball experience.

The PE department are actively engaged in the extra-curricular activities of its students and encourage them to compete in the sports they love. The trip went brilliantly and every student loved it. Malton achieved many wins and established warm relations with all the other schools. Well done!

Staff and students stop for a photograph on the recent football and netball tour to Jersey.

National Poetry Games

Many congratulations to the following students who have entered the National Poetry Games competition, **Ellie Smith** (Y7), **Jason Swift** (Y8), **Rachel Allen** (Y9) and **Kate Ferguson** (Y13). All the students are through to the next round of the competition. Other poems have been published in a book that will be kept in the British Library, and they have the chance to be one of twelve finalists to win an i-pad. We will find out more in July.

Comic Relief

On Friday 15 March, the school did something funny for money, to raise funds for Comic Relief. A grand total of £777 was raised on the day. The school took part in the 'Harlem Shake' in the dining hall at lunchtime, the video of which can be seen on YouTube! Our very own Mr Coates set the dancing off with students and teachers joining in. Other activities on the day included bun sales, sixth form students dressed in their old school uniforms, and other students paid £1 to come to school in non-uniform, a couple of boys in Year 9 even had their legs waxed in front of everybody. Everyone joined in doing something funny for money, well done to everyone.

The Harlem Shake

Y13 First Aid

First Aid has been an invaluable experience for a group of Year 13 students. The course which ran was accredited by the British Red Cross and upon completion the students were awarded with a certificate. Students enjoyed particularly the session where they performed CPR on the mannequins, which were kindly donated by the PTA. Students found all the sessions very hands-on as the topics they covered ranged from bandaging to life-saving techniques.

Voucher Collection

We are currently collecting Active Kids vouchers from Sainsbury's, which will be used to provide cookery equipment for the school. Please support the school by asking for the vouchers if you visit the store. A collection box is available at the West Wing.

Grand Easter Egg Draw

Students in 7A held an Easter Egg Draw before the Easter break to raise money for The Sidings, Malton. It was a resounding success and the sum raised was £131.29! A huge thank you to everyone who helped and donated eggs.

Scarborough Literature Festival

Year 12 students were treated to a series of workshops on the inner workings of fiction at the Scarborough Literary Festival on 19 March. The workshops were run by award winning novelists Alex Wheatle MBE, Susanna Jones and Christopher Brookmyre.

The invaluable insight that the established authors provided, undoubtedly inspired the students to contemplate in more depth the different elements of a story, and will allow them to expand on their own understanding of other texts with exams fast approaching. It was also a relief from months of analysis and complex texts for the students, to venture into a genre that allows ones imagination to take the lead, and that is why fiction is so important—it combines relaxation with learning, an impossible concept for many students to understand without reading themselves.

Homework Club

Does your child struggle to do their homework. If so, please encourage them to take advantage of the homework club we provide at school. It is open from 3.45-5.00pm, Monday, Tuesday, Wednesday and Thursday, in the Library. There are at least two members of staff on hand each night to offer help and guidance.

Sports News

William Rowe

Congratulations to William who has been through basketball trials for North Yorkshire and has been selected one from 12. The PE department are proud of his achievement and hard work. Good luck William.

Samantha Heslop

Well done to Samantha who has been selected to play for the Yorkshire Cricket Team. Also fingers crossed for Ryan Gaughan, Shaun Harland and Matthew Watson who had trials earlier this week.

Alistair Mitchell

Alistair finished 11th overall at the National Biathlon competition at Crystal Palace, well done.

District U15 football

Congratulations to Liam Palmer Rippon and Ryan Gaughan who have both been selected to play for the District U15 football team.

District U15 cricket

Matthew Watson and Shaun Harland have been selected to play for the District U15 cricket team.

Y10 football

Well done to the Year 10 football who recently reigned supreme by winning the District six-a-side football tournament at Ryedale School.

Y7 Rugby

Malton School's Year 7 rugby team had a very good finish to their season by progressing to the East Yorkshire Finals. The boys faced tough opposition at the finals but managed to out-class their opponents.

All players were outstanding on the day.

Gold medal success

Huge congratulations to Christiana Pain who won a gold medal in the U17 Girls National Relay Road Race, which was held in Birmingham last week. Christiana was running for York Acorn Running Club and faced tough competition from older runners as she ran the second leg of the relay. However, she managed to maintain an excellent pace and placed

her team into a strong position to lead the race and eventually becoming overall winners.
