

### **Post-16 visits**

Sixth formers in Year 12 will be attending two higher education open days in May. On 07 May they will visit Newcastle and have the opportunity to visit Newcastle University and the University of Northumbria, a week later they can experience life on a campus at the University of Hull. The School will be subsidising the cost of all three visits to help Y12 students in the early stages of their decision making about options at 18+.

### **PTA Line Dance**

Saturday 19 April, 19:30–23:30  
£3 (including refreshments)

Tickets from Hopper's in the Market Place and  
from West Wing Office

*Do come along and bring your friends. Please do wear  
soft-soled shoes to protect our wooden floor.*

### **Internet and E-Mail Trial**

The school now subscribes to the Internet, and has full e-mail facilities. At present these are limited strictly to staff use, or students supervised by staff, while we assess the security issues of Internet access, and consider whether undesirable material is suitably screened from general access. We will also be assessing telephone costs.

If you have e-mail facilities and would like to e-mail us, our address is

**JMC@malton.dialnet.co.uk**

### **Medical matters**

A reminder that any medication brought into School should be handed in to Mrs. Green at the start of the day.

### **HENRY**

Congratulations to the many members of the School – students and staff – as well as parents and friends of the School who all contributed to the splendid production at the end of the Spring Term. Copies of a video of Wednesday's show are available from Mr Fearnley, price £4.

### **Examination preparation**

Sixth formers in Year 13 are now in the final weeks of preparation for A-levels. All students have been issued with revision planners and have received guidance from tutors. Each has also met Mr. Ewing, Mr. Fearnley or Mr. Roberts to review revision plans before Easter; a further meeting will take place during April / May.

Year 11 students are similarly making their final preparations supported by their teachers, form tutors and Mr. Thomas.

Year 9 pupils face the Standard Attainment Tests (SATs) in English, Mathematics and Science at the beginning of May. Y9 Internal examinations follow in June.

Not that others are forgotten! Internal examinations take place at the end of May for Year 12 and in June for Years 7–10.

### **Financial planning for university/college**

Wednesday 23 April at 19:30

Short presentation in West Wing Hall  
giving advice to parents on  
financial planning for their son's/daughter's  
time in higher education.

The earlier planning starts the better.  
No obligation to join any scheme offered.

#### August

Th	14		GCE A-level results
Th	21		GCSE results

#### September

T	02	09.00	Autumn Term begins (Week 1)
---	----	-------	-----------------------------

## Malton Show Day

A reminder that this year the show day will be a Staff only day. Pupils will therefore have the opportunity to attend the Show without missing any lessons. School buses will not be running on Thursday, 26 June 1997.

## Premises

Shortly before Easter the wood-block floors of rooms 1 to 6 in West Wing were sanded and re-sealed at the cleaning contractor's expense. This has not only contributed to an improved appearance in the rooms but has also given the wood valuable layers of protection.

We have just learned that County is to resurface the East Wing tennis courts during the next twelve months.

## Mock Election

The School will be running a mock election over the next three weeks. Voting will take place on 01 May with the result published by the end of the day.

Candidates will be chosen and briefed in the next few days.
